

Kunming, China

December 8-10, 2017

2017 II International Conference on

Network Security

(ICNS 2017)

2017 II International Conference on Network Security (ICNS 2017) will be held in Kunming, China, during December 8-10, 2017. ICNS 2017 will be a remarkable event which brings together professors, researchers and students in the field of Network Security making the conference a perfect platform to share experience, foster collaborations across industry and academia, and evaluate emerging technologies across the globe.

Kunming, China

Kunming, Yunnan's capital resides at an elevation of 1890m and boasts a milder climate than most other Chinese cities. Celebrated as the "Spring City," Kunming has neither severe winters nor extremely hot summers and can be visited at any time of the year.

Advisory Chair

Prof. Chin-Chen Chang, Feng Chia University, Taiwan

Conference Chairs

Prof. Yanzhen Qu, Colorado Technical University, USA
